

## SURVEYING - STUDY PATHWAYS

## SPATIAL SCIENCE - STUDY PATHWAYS

# SURVEYING PATHWAY

Course	Guide Overall Position (OP) and Tertiary Entrance Rank (TER)	Prerequisites	Course Length
<b>University of Southern Queensland</b> <i>(on campus and distance modes available for all courses)</i>			
Associate Degree of Spatial Science (Surveying)	OP 16 TER 64	Year 12 English and Maths A (Maths B recommended)	2 years full time
Bachelor of Spatial Science Technology (Surveying)	OP 13 TER 71	Year 12 English and Maths B	3 years full time
Bachelor of Spatial Science (Honours) (Surveying)	OP 11 TER 76	Year 12 English and Maths B (Physics recommended)	4 years full time

# SPATIAL SCIENCE PATHWAY

Course	Guide Overall Position (OP) and Tertiary Entrance Rank (TER)	Prerequisites	Course Length
<b>University of Southern Queensland</b> <i>(on campus and distance modes available for all courses)</i>			
Associate Degree of Spatial Science (GIS)	OP 16 TER 64	Year 12 English and Maths A (Maths B recommended)	2 years full time
Bachelor of Spatial Science Technology (GIS)	OP 13 TER 71	Year 12 English and Maths B	3 years full time
Bachelor of Spatial Science (Honours) (GIS)	OP 11 TER 76	Year 12 English and Maths B (Physics recommended)	4 years full time
<b>University of Queensland</b>			
Bachelor of Science (Computational Science & Geographical Science)	OP 9 TER 81	Year 12 or equivalent English, Mathematics B plus one of Chemistry or Physics	3 years full time

*Spatial Science may also be studied as a GIS or Geography major, or as subjects in undergraduate courses in Science, Environmental Science, Environmental Management, Urban Planning, Engineering, the Arts, and other courses at major universities. Please check with the universities for details.*
